

# PART QUALIFICATIONS FOR CARE AND PERSONAL SUPPORT WORKERS

BCA National delivers training in nationally recognised courses across Australia in a range of subjects. Together with Better Caring, we have developed a specific part qualification that could upgrade your current skillset and could qualify you to work across a larger range of clients on Better Caring.

## PART QUALIFICATION ON OFFER:

### Medications Assistance

This part qualification is specifically for care and support workers **who already have a Certificate III or IV in Aged Care or Disabilities or equivalent** and would like to become qualified in medication assistance.

This training would take place as a two day workshop at the BCA National Campus on 65 York Street Sydney 2000. The following Units of Competency would be covered:

**HLTHPS006** – Assist Clients with Medication

**HLTAAP001** – Recognise Healthy Body Systems

### ABOUT BCA NATIONAL

Founded in 1998, we are a multi-award-winning Registered Training Organisation (RTO) that puts student goals first.

With expert industry trainers, personal support, work experience programs and flexible delivery, we help high-school leavers to make their first career step and adult learners gain employment, get a promotion or switch careers.

National RTO ID: 91758

## UNIT DESCRIPTION

### HLTHPS006 – Assist Clients with Medication

Addresses the provision of physical assistance with medication or supporting clients with self medication in response to an assessed need identified by the client or their substitute decision-maker for assistance with medication, in accordance with the health/support/ care plan and in line with jurisdictional requirements.

### HLTAAP001 – Recognise Healthy Body Systems

Describes the skills and knowledge required to work with basic information about the human body and to recognise and promote ways to maintain healthy functioning of the body.
