

Purpose of the Mable Community Grants

Established in 2019, Mable Community Grants is a philanthropic initiative of The Mable Foundation Limited (**Mable** or **Foundation**).

The Mable Community Grants must be explicitly used for projects or programs that relieve poverty, sickness, suffering, distress, misfortune, helplessness or disability in the lives of people in Australia who are living with a disability or who are ageing to improve their independence and inclusion within their community. The grants must be targeted or directed to organisations or groups in Australia (with an ABN or ACN).

The Mable Community Grants program has proudly supported 15 grants worth approximately \$170,000 to date.

Available grants

In 2024, four grants of \$10,000 each are available for projects specifically aimed at championing independence and inclusion for people with disability and older people.

All grant applications must detail a breakdown of their budget in their application for how the \$10,000 grant will be spent.

Who is eligible to apply

Application Process / How to Apply

- Mable Community Grants applications open annually.
- Applications must set out how they specifically relieve poverty, sickness, suffering, distress, misfortune, helplessness or disability in the lives of people in Australia who are living with a disability or are ageing to improve their health, independence and inclusion within their community.
- Applicants must complete the relevant application form in full and be able to provide relevant evidence. Consideration will be given to how the funding will meet the stated purposes.
- If an applicant provides incorrect information or does not address all criteria requested, the application may not be considered.
- Before applying, you must read and understand these guidelines, which are part of our terms and conditions. In addition, successful applicants will be required to enter into a grant agreement.
- Any changes to grant documentation will be published on the Mable website in the Community Grants section.
- A separate application form must be submitted for each project.
- The latest version will progress if more than one application is submitted for the same project.
- To apply, you must:
 - Complete the online application form on the Mable Website or download a printable version and submit it via e-mail to communitygrants@mable.com.au

COMMUNITY GRANTS

General Information on 2024 Grants

- or post to: "Mable Community Grants, C/O Mable Technologies, Level 12, 255 Pitt Street, Sydney NSW 2000.
- All sections of the application form must be completed.
- All eligibility criteria and assessment criteria must be addressed within the application.
- All necessary attachments must be submitted with your application.
- Submit your application/s to Mable Community Grants by the stated deadline.

Entries that are not genuine or incomplete, late or in any way fraudulent or deemed inappropriate or unacceptable by Mable Community Grants Selection Committee will be declared void at Mable's sole discretion.

Selection process

The Mable Community Grants will be assessed against the selection criteria to ensure compliance. All applications that meet this requirement will then be split into two groups based on the target beneficiaries and reviewed by either Mable's Independent Disability Advisory Council or Mable's Independent Aged Care Advisory Council.

Assessment criteria

All applications will be assessed on their relative merit in promoting independence and inclusivity for people with disability or people who are ageing. The application must clearly outline the following:

- The anticipated impact of your initiative or project on the community.
- The scale and significance of the project.
- How the \$10,000 grant will be used.
- What actions will be taken, and how will the applicant ensure the project will be completed within the required timeframe? I.e., no later than 12 months from receiving funding.

Applicants may be contacted for further information throughout the judging process. Any information supplied will form a part of their application.

At its discretion, Mable may require certain probity checks to be conducted.

The decisions by Mable are final. Mable reserves the right not to fund applications if it does not believe it has sufficient merit.

Disbursement of Grant Funding

- \$10,000 grants will be paid in one transaction unless the grant recipient specifies disbursed funding according to the details provided in their budget. When this occurs, Mable and the recipient will agree to a timeline before finalising the grant agreement.
- All grant recipients must provide quarterly updates regarding their use of funds and progress on their project to Mable.

Media, Promotion and Usage Rights

- All grant recipients agree to acknowledge that the Foundation as the funder (in part or in full) of the project or initiative and acknowledge the grant origin where appropriate, e.g. social media, media, launches, marketing, etc.
- Any personal information collected in the administration of the grant will be handled per the Foundation's Privacy Policy, which is available on its website.
- All applicants agree that the Foundation has the right to reproduce names, photographs, material, comments, and feedback provided by entrants in promotional material, including but not limited to websites, brochures, and other online channels.
- All applications must be original and created solely by the applicant/s. All physical copies of applications and supporting materials become the property of Mable and will not be returned.

Administrative/Legalities

- The Foundation may amend this information and guidelines at any time in its absolute discretion.
- In case of any dispute regarding the administration, rules, results and all other matters relating to the Mable Community Grants application, judging, or disbursement process, the decision of Mable shall be final, and no correspondence or discussion shall be entered into.
